

Parent/Student Handbook & Dress Code Verification Form

2019-2020

Dear Parents,

In an effort to enhance communication and facilitate stronger partnerships with our Gateway families, our 2019-2020 Parent/Student Handbook and 2019-2020 Dress Code Policy have been uploaded to our Parent Portal for 24/7 access. **Password: gatewayparent2019** Although highlights of our policies and procedures will be covered by Gateway's administration via our weekly Monday Memo, further study of these documents is necessary for understanding them in their entirety. **Please read all information contained in our 2019-2020 parent handbook and dress code policy. Sign this letter and have your child return this page to his/her teacher by the end of our 1st week of school.**

We appreciate your support and look forward to a great year of students, teachers, administrators, and parents working together to make life-changing differences in the lives of our Gateway children.

In Christ,

Sondra Dutram, **Principal**
