

Dear Parents,

Since the stability of our school and the quality of its programs are of the utmost importance, we are always seeking ways to make improvements to benefit everyone. After much research and investigation, we have partnered with FACTS Management Company to help us manage our tuition payment program. FACTS is used by many schools locally and over 7,000 schools nationally. We are excited to be working with them and are confident this program will offer greater efficiency and financial stability for the school while providing convenience to families.

You will realize these benefits by using FACTS for your tuition payment plan:

1. **Payments:** Automatic payments can be made from a checking or savings account or from a variety of credit cards.
2. **Enrolling in FACTS:** You will setup a FACTS payment plan when reenrolling your student online for the next school year.
3. **Convenience & Security:** Along with multiple payment plan options, your payments are processed securely through a bank-to-bank transaction.
4. **Consumer Account:** You may check your personal account or make payments online from the convenience of your home or office anytime.

One of the universal challenges in education is achieving a balance between our educational mission and financial stability. It is precisely for this reason we are enlisting the help of the FACTS Management Company. With FACTS, the school maintains decision-making control.

Thank you for your continued loyalty and support for Gateway Academy. We depend on your support in our efforts to provide the highest quality of education for your children. Your continued support and cooperation are appreciated, as we remain committed to our mission.

Sincerely,

Gateway Academy
