**Student Support Services (Invitation Only):**

Gateway Academy seeks to provide all students an opportunity to reach their highest potential. We recognize that at times there may be the need for additional instruction, to enrich and/or support, for students. Through our Student Support Services and Support Teacher, we partner with the classroom teachers and parents to observe and identify strategies for learning and support for academic success for our students. We have three different categories of support:

Service	Fee*	Details
Gateway Enrichment Program	\$1,250	<a href="#">Program Details (Click Here)</a>
Academic Support	\$2,750	
Summer Session	\$1,250	

Student Support Services fees are non-refundable. Fees can be paid monthly through [FACTS](#). Remaining Student Support Service Fee is due through FACTS if a student is to withdraw early from the program.

**Terms**

Enrollment Fee: \$200 per student due at time of enrollment

Credit card. (2.95% service fee assessed to the family with debit or credit card payment)

All accounts that are not paid by the 3rd of the month will be considered past due and will be subject to a \$150 late fee. Any returned ACH drafts will be subject to a \$30 return fee.

There are no tuition credits due to absences, holidays, vacations, or sickness.

**Continuous Enrollment**

The Continuous Enrollment Agreement at Gateway Academy simplifies the entire enrollment process. The agreement states that your student will have a spot at Gateway Academy until graduation or until we are notified of a desire to change their enrollment status. For families, this means fewer deadlines, less paperwork, and no worry over racing to enroll for coveted space in a full classroom.

Parent/Guardian understands that this agreement is binding and that this agreement extends as long as the student is enrolled and until the graduation of the student from Gateway Academy or the termination of this agreement by completion of a Withdrawal Form, whichever first occurs. Accordingly, the term of the agreement shall be in effect for the academic year in which the student is enrolled and shall renew automatically for each successive academic year until graduation from Gateway Academy unless and until this agreement is terminated by Gateway Academy or written notice of termination from parent/guardian is received on or before Feb 15th of each year.

If a student is not returning the following school year, the parent/guardian must notify Gateway Academy in writing on or before February 15th of the current school year by completing a Withdrawal Form. In the event Gateway Academy does not receive notification on or before February 15th, a non-refundable tuition deposit will be billed to the Parent/Guardian.

The obligation to pay tuition to Gateway Academy for each academic year shall become binding on February 15th unless the parent/guardian notifies Gateway Academy in writing of the student(s)'s intent to not return to Gateway Academy.

Our enrollment and tuition fee schedule has been structured to provide Gateway Academy with the necessary resources to prepare for the start of our fall term each school year. Because of this, failure to submit your tuition and fees payment will result in the forfeiture of your child's reserved classroom space for the upcoming school year and permit Gateway's administration to subsequently admit another student into your child's slot.

*All of the above fees and tuition are non-refundable.*
